

EBSCO eBooks

Welcome to EBSCO eBooks, over 100,000 titles available.

The Missouri State Library is pleased to provide [EBSCO eBooks](#), a collection of titles covering education, finance, health, nursing, professional development, engineering, mental health, law and much more.

The Reference Services Division provides free, direct access to this powerful e-book library, one of four [e-book collections](#) that state employees may enjoy courtesy of the State Library.

State employees can search and read titles directly from the EBSCO collection website, and can access the books remotely with a [Missouri State Library card](#).
